

SMS Alerts

What are SMS Alerts?

Definition of SMS Alerts

- Broadcasting SMS's to people in your community, workplace or anywhere in South Africa

SMS Alerts facility allows clients to

- Send out SMS Alerts to everyone in your SMS list.
- Send out an Alert to all your clients within seconds!

How does it work?

- Each community area will be divided into groups.
- Each group will then have a "Leader"
- Anybody from the community can message their "Leader"
- The Leader will then send the Message/SMS to a Shortcode, e.g. 31010
- Everyone whom is in that specific group belonging to the "Leader" will receive the SMS alert.

Where can I use it?

- Use it within your local community, to send out any urgent messages
- Patrols like to use it to get all community members aware of any situation.
- Use it for any group to get updates with minutes!

Costs? (all costs incl VAT)

- R0.25 per SMS
- R100.00 per month subscription fee
